INTERNATIONAL STUDIES

CSIS's Commission on Cyber Security for the 44th Presidency
invites you to attend

Cybersecurity and Critical Infrastructure Protection: Is there a better strategy?

Roger Cumming, Deputy Director of the UK's Centre for the Protection of National Infrastructure (CPNI) will speak on how the UK approaches cybersecurity, critical infrastructure, and public-private partnerships. This event will also feature a panel discussion with outside experts.

Wednesday, June 4, 2008

9:00 to 11:00 am

1800 K Street, NW / B-1B conference center

To RSVP, please email techpolicy@csis.org.
